

Recommendation Letter

To Whom It May Concern,

It is with immense pleasure that I recommend **Ania Cojocareanu** for any opportunity that requires a highly motivated and skilled UX specialist. I had the distinct privilege of working with Ania during her internship at DLL Group in Eindhoven from January to June 2025, where she consistently demonstrated exceptional proactivity and a remarkably positive attitude towards every project.

Ania approaches challenges with an open mind, consistently bringing a diverse range of innovative options to the table. Her ability to remain unfazed by obstacles and her unwavering motivation to make a significant impact are truly commendable. She is not easily frustrated, a quality that proved invaluable in navigating complex design problems and iterative development cycles.

Beyond her individual contributions, Ania is an outstanding team player. Her deep knowledge in UX principles and practices, coupled with her collaborative spirit, made her an invaluable asset to our team. She readily shared her expertise, actively listened to feedback, and contributed to a highly productive and supportive work environment.

I am confident that Ania will be a tremendous asset to any organization. Her dedication, innovative thinking, and collaborative nature make her an ideal candidate for roles that demand both technical proficiency and a strong interpersonal skill set. Any team would be incredibly fortunate to have her.

Sincerely,
